

## Evangelization & Catechesis

**Vision:** Given that the primary mission of the Church is to evangelize, the vision of the Archdiocese of Detroit will be to:

- Engage all Catholics within the Archdiocese of Detroit in Evangelization – their primary mission, flowing from their baptismal call.
- Understand that evangelization and catechesis are inseparable.
- Build strong catechetical programs that support the work of evangelization at all levels and stages, thus sharing Christ in and through the Church.

### **Definition of Evangelization & Catechesis:**

To evangelize is to bear witness, in a simple and direct way, to God revealed by Jesus in the Holy Spirit. Evangelization, then, has different implications depending on our relationship to Jesus and His Church. For those who practice and live the Catholic faith, it is a call to ongoing growth and renewed conversion. For those who have accepted the faith in name, it is a call to re-evangelization. For those who have stopped practicing their faith, it is a call to reconciliation. For children, it is a call to be formed into disciples, through the family's faith life and religious formation. For other Christians, it is an invitation to know the fullness of the Church's message. For those who have no faith, it is a call to know Christ Jesus and thus experience a conversion to new life with Jesus and His Church (Go and Make Disciples, 26, 27). Personal conversion is the essential element for being an effective disciple.

The fundamental task of catechesis is to achieve this objective: the formation of disciples of Jesus. The ministry of catechesis, as an essential moment in the Church's mission of evangelization, is a fundamental ecclesial service for the realization of the missionary mandate of Jesus (National Directory for Catechesis, 53, 59, 63).

**Goal 1:** To re-engage, renew, and re-invigorate in all Catholics our baptismal call to enthusiastically share Jesus in and through the New Evangelization.

- By enthusiastically living and sharing our faith with others requires conversion, an openness, and deep understanding of the Holy Spirit's actions in one's life and in God's Word by a united collaboration between clergy and laity.

**Goal 2:** To actively seek to restore unity throughout the Archdiocese by advancing Jesus' message of salvation through evangelizing those within as well as outside of the Catholic faith.

- By Christian unity fostered through the proclamation of the Gospel of Jesus Christ, including outreach and reconciliation with inactive Catholics, inclusion of all irrespective of social or cultural differences, and ecumenical dialogue, along with inter-faith relationship building.

**Goal 3:** To promote Gospel values in our society by recognizing the dignity of all people, the importance of the family, and Christian value advocacy.

- By promoting the value of human dignity from conception to natural death, the importance of family, and more effective Christian family advocacy with parishes partnering with service groups, community groups, and other churches as they strive to meet the needs of those within their local community.
